"A ... series of Christian daily  
reflections on learning to live  
with imperfection in a culture of  
self-help that promotes endless  
progress"--Provided by publisher.

Paradise Lost, Book 3 Convergent Books  
Discover the Joy of Giving--and the Rewards  
of Receiving Our culture is saturated with false  
teaching on what it means to be blessed, but  
what does the Bible say about it? How can we  
truly live blessed lives? With humor, passion,  
and clarity, pastor and bestselling author  
Robert Morris presents the secrets of living a  
blessed life both financially and spiritually. He

shows that when God changes your heart from  
selfishness to generosity, every part of your life-  
journey is affected. "There is no greater  
adventure on Earth than simply living the life  
of generosity and abundance that is available to  
all of God's people--but so few ever dare to  
live," says Pastor Robert. "It is a journey of  
reward. It is the blessed life." First published in  
2002, this newly revised and expanded edition  
includes new content from recent sermons,  
updated illustrations from years of the life-  
changing impact of its message, and testimonies  
from people experiencing the blessed life.

American Political Thought: Readings and  
Materials presents a diverse collection of

---

writings, speeches, judicial opinions, and other political documents, offering an introduction to the controversies and disputes that have mobilized Americans since the first settlements in North America. Ranging from the Colonial era to the present day—and featuring both traditional readings and lesser-known documents—this reader takes a historical approach that helps students see how political, economic, and social conditions led to the development of specific political ideas. Each chapter includes a substantial introduction and each reading is enriched by headnotes and discussion questions.

Fables of Faith from the Far North  
The Church of Jesus Christ of Latter-day Saints

In an America where the rich and fortunate have free rein to do as they please, can the ideal of liberty and justice for all be anything but an empty slogan? Many Americans are doubtful, and have withdrawn into apathy and cynicism. But thousands of others are not ready to give up on democracy just yet. Working outside the notice of the national media, ordinary citizens across the nation are meeting in living rooms, church basements, synagogues, and schools to identify shared concerns, select and cultivate leaders, and take action. Their goal is to hold big government and big business accountable. In this important new book, Jeffrey Stout bears witness to the successes and failures of progressive grassroots

organizing, and the daunting forces now arrayed against it. Stout tells vivid stories of people fighting entrenched economic and political interests around the country. From parents and teachers striving to overcome gang violence in South Central Los Angeles, to a Latino priest north of the Rio Grande who brings his parish into a citizens' organization, to the New Orleans residents who get out the vote by taking a jazz band through streets devastated by Hurricane Katrina, Stout describes how these ordinary people conceive of citizenship, how they acquire and exercise power, and how religious ideas and institutions contribute to their successes. The most important book on organizing and grassroots democracy in a generation, *Blessed Are the Organized* is a passionate and hopeful account of how our endangered democratic principles can be put into action.

90 Devotions to Overcome All Financial Stress  
Baker Books

A “brilliant” (The Washington Post), “clear-eyed and incisive” (The New Republic) analysis of how the wealthiest group in American society is making life miserable for everyone—including themselves. In 21st-century America, the top 0.1% of the wealth distribution have walked away with the big prizes even while the bottom 90% have lost ground. What’s left of the American Dream has taken refuge in the 9.9% that lies just below the tip of extreme wealth. Collectively, the members of this group control more than half of

the wealth in the country—and they are doing whatever it takes to hang on to their piece of the action in an increasingly unjust system. They log insane hours at the office and then turn their leisure time into an excuse for more career-building, even as they rely on an underpaid servant class to power their economic success and satisfy their personal needs. They have segregated themselves into zip codes designed to exclude as many people as possible. They have made fitness a national obsession even as swaths of the population lose healthcare and grow sicker. They have created an unprecedented demand for admission to elite schools and helped to fuel the dramatic cost of higher education. They channel their political energy into symbolic conflicts over identity in order to avoid acknowledging the economic roots of their privilege. And they have created an ethos of “merit” to justify their advantages. They are all around us. In fact, they are us—or what we are supposed to want to be. In this “captivating account” (Robert D. Putnam, author of *Bowling Alone*), Matthew Stewart argues that a new aristocracy is emerging in American society and it is repeating the mistakes of history. It is entrenching inequality, warping our culture, eroding democracy, and transforming an abundant economy into a source of misery. He calls for a regrounding of American culture and politics on a foundation closer to the

Beatitudes Pier Giorgio Frassati Ignatius Press

Seize the Day Zondervan

The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God.

President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the “ doctrine of life and salvation for all the honest-in-heart ” (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened

“ within them a desire to know and understand the things of God more than they ever did before in their lives ” and will begin to “ inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness ” (DBY,

450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections— “ Teachings of Brigham Young ” and “ Suggestions for Study. ” The first section consists of extracts from Brigham Young ’ s sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young ’ s teachings in order to gain new insights into gospel

principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young ’ s teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the “ Lion of the Lord ” (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

Exploring the psychological dynamics of the relationship between a precocious yet naïve teenage girl and her magnetic and manipulative teacher, a brilliant, all-consuming read that marks the explosive debut of an extraordinary new writer. 2000. Bright, ambitious, and yearning for adulthood, fifteen-year-old Vanessa Wye becomes entangled in an affair with Jacob Strane, her magnetic and guileful forty-two-year-old English teacher. 2017. Amid the rising wave of allegations against powerful men, a reckoning is coming due. Strane has been accused of sexual abuse by a former student, who reaches out to Vanessa, and now Vanessa suddenly finds herself facing an impossible choice: remain silent, firm in the belief that her teenage self willingly engaged in this relationship, or redefine herself and the events of her past. But how can Vanessa reject her first love, the man who fundamentally transformed her and has been a persistent presence in her life? Is it possible that the man she loved as a teenager—and who professed to worship only her—may be far different from what she has always believed?  
Alternating between Vanessa ’ s present and her past, *My Dark Vanessa* juxtaposes memory and trauma with the breathless excitement of a teenage girl discovering the power her own body can wield. Thought-provoking and impossible to

put down, this is a masterful portrayal of troubled adolescence and its repercussions that raises vital questions about agency, consent, complicity, and victimhood. Written with the haunting intimacy of *The Girls* and the creeping intensity of *Room*, *My Dark Vanessa* is an era-defining novel that brilliantly captures and reflects the shifting cultural mores transforming our relationships and society itself.

*Living on Purpose and Making Every Day Count* InterVarsity Press

Are you afraid of your personal power? Do you feel alone, powerless, and unheard? Are you a prisoner of your past? The world can be a scary, scarring place, but you are neither alone nor powerless. Everyone experiences loss, pain, sorrow, or abuse; the challenge we face is in finding the courage and the confidence to transform our soul-crushing defeats into soul-building victories. It can difficult to release these experiences until we find the key within ourselves to let go of the unsettling times and turn them into gifts. These magical transformations are true gifts. Isn't it your time

to experience this healing bounty for yourself? Isn't it time to believe in yourself again? Are you ready to live your true and healthy life? There are many forms of healing available for those who sincerely seek to free themselves from the past. Once you give yourself the gift of forgiveness, you can live in the here-and-now and experience true love, balance, and a heart filled with joy and light. You can learn the power of meditation, steps to openly examine your painful past, and valuable tools to help you create balance. Through a comprehensive, holistic approach—which involves a detailed mental, physical, spiritual, and emotional inventory—you can begin the healing process. Are you ready to walk through your fear and emerge renewed? The first step is yours.

King Lear Wellspring

*King Lear* is a tragedy by Shakespeare, written about 1605 or 1606. Shakespeare based it on the legendary King Leir of the Britons, whose story is outlined in Geoffrey of Monmouth's pseudohistorical *History of the Kings of Britain* (written in about 1136). The play tells the tale of the aged King Lear who is passing on the control of his kingdom to his three daughters. He asks each of them to express their love for him, and the first two, Goneril and Regan do so effusively, saying they love him above all things. But his youngest daughter, Cordelia, is compelled to be truthful and says that she must reserve some love

for her future husband. Lear, enraged, cuts her off without any inheritance. The secondary plot deals with the machinations of Edmund, the bastard son of the Earl of Gloucester, who manages to convince his father that his legitimate son Edgar is plotting against him. After Lear steps down from power, he finds that his elder daughters have no real respect or love for him, and treat him and his followers as a nuisance. They allow the raging Lear to wander out into a storm, hoping to be rid of him, and conspire with Edmund to overthrow the Earl of Gloucester. The play is a moving study of the perils of old age and the true meaning of filial love. It ends tragically with the deaths of both Cordelia and Lear—so tragically, in fact, that performances during the Restoration period sometimes substituted a happy ending. In modern times, though, *King Lear* is performed as written and generally regarded as one of Shakespeare's best plays. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Penguin Book of Hell Turtleback Books

Narrative of the Life of Frederick Douglass First published in 1845, Narrative of the Life of Frederick Douglass is an eye-opening depiction of American slavery. Part autobiography, part human-rights treatise, it describes the everyday horrors inflicted on captive laborers, as well as the strength and courage needed to survive. Narrative of the Life of Frederick Douglass Born into slavery on a Maryland plantation in 1818, Frederick Douglass spent years secretly teaching himself to read and write—a crime for which he risked life and limb. After two failed escapes, Douglass finally, blessedly boarded a train in 1838 that would eventually lead him to New York City and freedom. Narrative of the Life of Frederick Douglass Few books have done more to change America's notion of African Americans than this seminal work. Beyond its historical and social relevancy, it is admired today for its gripping stories, the intensity of spirit, and heartfelt humanity.

Narrative of the Life of Frederick Douglass This ebook has been professionally proofread to ensure

accuracy and readability on all devices. Narrative of the Life of Frederick Douglass Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre – Civil War plantations in the South and reveals the daily terrors he suffered. Narrative of the Life of Frederick Douglass Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past.

Narrative of the Life of Frederick Douglass

The Disciple's Cross Wipf and Stock Publishers Reach your financial goals and reduce the stress in your life with this book of biblical principles by the bestselling author of The Blessed Life. Who doesn't want to eliminate financial stress? Who doesn't want to get out of debt, reach their financial goals, experience the joy that God intends for us, and be free to bless others with their resources?
