The 88th Division played a major role in the battle of Italy, where it was rated by the Germans after the summer of 1944 as the best American division in Italy. Because of the outstanding job it did in Italy, the 88th contributed its share to the winning of the war. It was the first of the draft infantry divisions to enter combat on any front in World War II and it was among the top divisions in the American Army. It won its share of territory and honors during its 344 days of combat. It paid dearly for all that it won—it lost 15,173 officers and men killed, wounded and missing in action. Only thirteen other divisions in the U.S. Army suffered heavier losses. The 88th fought its battles on what was called “a forgotten front.” Some day history will appraise the true worth of the Italian campaign in the overall war picture. Military historians will analyze and sift and publish detailed volumes on the operational contribution of the 88th in the battle for Italy. This book is not a history, in the true sense of the word. It is not intended to be such. It is rather the story of a combat division from its beginning to its end. It is a story compiled both from official journals and from the personal experiences of the citizen-soldiers who made up its squads and platoons. It is a story which never can be told in every complete detail. For every one of the incidents related here, a reader can remember scores that are not found in these pages. There are not enough words, or paper, to list them all. The incidents related are considered

to be representative of the experiences of the majority of 88th men.

For fans of Kate DiCamillo's *Louisiana's Way Home*, this heartwarming novel tells the story of ten-year-old Glory Bea as she prepares for a miracle of her very own—her father's return home. Glory Bea Bennett knows that miracles happen in Gladiola, Texas, population 3,421. After all, her grandmother—the best matchmaker in the whole county—is responsible for thirty-nine of them. Now, Glory Bea needs a miracle of her own. The war ended three years ago, but Glory Bea's father never returned home from the front in France. Glory Bea understands what Mama and Grams and Grandpa say—that Daddy died a hero on Omaha Beach—yet deep down in her heart, she believes Daddy is still out there. When the *Gladiola Gazette* reports that one of the boxcars from the *Merci Train* (the “thank you” train)—a train filled with gifts of gratitude from the people of France—will be stopping in Gladiola, she just knows daddy will be its surprise cargo. But miracles, like people, are always changing, until at last they find their way home.

Alana Albertson brings you an emotional love story between a widowed Blue Angel pilot and the one woman who is forbidden to him—his baby's nanny. Don't sleep with the nanny. The one rule I swore to myself that I would obey. And as a United States Naval Officer and a pilot for the world famous Blue Angels, I always play by the rules. Hell, I make the rules. And I never break them. Until I meet Paloma. I can't ignore how she makes me feel alive again after I was certain that my heart was closed to love. We have nothing in common besides our love for my daughter. I'm rich; she's poor. I'm her boss; she's my employee. I'm dead inside; she's full of life. Despite our differences, I let lust control my actions and kiss her like it's the last night of the world. Which it is, because our passionate kiss has changed my life forever. I may be a Blue Angel, but she has woken the devil inside. And I'll do anything to make her mine. *Blue Sky* is an epic standalone, slow burn, ugly cry romance

INTERNATIONAL BESTSELLER In this moving, suspenseful debut novel, three courageous women confront the complexities of trust, friendship, motherhood, and betrayal under the rule of a ruthless dictator and his brutal secret police. Former foreign correspondent Gina Wilkinson draws on her own experiences to take readers inside a haunting story of Iraq at the turn of the millennium and the impossible choices faced by families under a deadly regime. A BuzzFeed Most Anticipated Historical Fiction Release A Target Book Club Pick A Publishers Marketplace Buzz Books Selection At night, in Huda's fragrant garden, a breeze sweeps in from the desert encircling Baghdad, rustling the leaves of her apricot trees and carrying warning of visitors at her gate. Huda, a secretary at the Australian embassy, lives in fear of the mukhabarat—the secret police who watch and listen for any scrap of information that can be used against America and its allies. They have ordered her to befriend Ally Wilson, the deputy ambassador's wife. Huda has no wish to be an informant, but fears for her teenaged son, who may be forced to join a deadly militia. Nor does she know that Ally has dangerous secrets of her own. Huda's former friend, Rania, enjoyed a privileged upbringing as the daughter of a sheikh. Now her family's wealth is gone, and Rania too is battling to keep her child safe and a roof over their heads. As the women's lives intersect, their hidden pasts spill into the present. Facing possible betrayal at every turn, all three must trust in a fragile, newfound loyalty, even as they discover how much they are willing to sacrifice to protect their families. “Vivid...secrets and lies mingle as easily as the scent of apricot blossoms and nargilah smoke. Between the Devil and the Deep Blue Sky is a first-person, narrative non-fiction account of the period the author spent living as a 'dependant spouse' in Baghdad during the final year of the Saddam Hussein regime, and later as the Australian Broadcasting Corporation's correspondent in post-war Iraq. It's an account of terror, ambition, and betrayal in Iraq, and how she became the main character in a story she never wanted, or expected, to find. The book looks at the challenges and adjustments she had to make when she decided to abandon her career, albeit temporarily, in order to support her husband in his new job with the United Nations Children's Fund, UNICEF. It also focuses on the friendships forged with ordinary Iraqis, despite the enormous hurdles of almost constant government surveillance and the overwhelming atmosphere of fear and suspicion under Saddam Hussein.

The Price family has spent generations studying the monsters of the world, working to protect them from humanity--and humanity from them. Enter Verity Price. Despite being trained from birth as a cryptozoologist, she'd rather dance a tango than tangle with a demon, and when her work with the cryptid community took her to Manhattan, she thought she would finally be free to pursue competition-level dance in earnest. It didn't quite work out that way... But now, with the snake cult that was killing virgins all over Manhattan finally taken care of, Verity is ready to settle down for some serious ballroom dancing—until her on-again, off-again, semi-boyfriend Dominic De Luca, a member of the monster-hunting Covenant of St. George, informs her that the Covenant is on their way to assess the city's readiness for a cryptid purge. With everything and everyone she loves on the line, there's no way Verity can take that lying down. Alliances will be tested, allies will be questioned, lives will be lost, and the talking mice in Verity's apartment will immortalize everything as holy writ--assuming there's anyone left standing when all is said and done. It's a midnight blue-light special, and the sale of the day is on betrayal, deceit...and carnage.

S. M. Stirling presents the stunning and epic conclusion to the New York Times bestselling Change series, now in paperback. Many years ago, when advanced technology failed and humanity found itself in a turbulent, postapocalyptic world, extraordinary men and women birthed a new society from the ashes. Two generations after the Change, Crown Princess Órlaith struggles to preserve the hard-won peace her father brought to Montival—the former western North America. But the Change opened many doors, and through them Powers strong and strange and terrible came, to walk once

more among humankind. With her fire-forged friend and ally, Japanese Empress Reiko, Órlaith must take up her sword to stop the spread of the mad malignancy behind the Yellow Raja, who has imprisoned her brother Prince John. And from the emerging superpower of Mongolia, the Sky-Blue Wolves of the High Steppe ride once more beneath the banner of Genghis Khan—the thunder of their hooves resounding across a world in turmoil.

" A loopy pilgrimage from a haunted past into a hopped-up, mad new world " from the Pulitzer Prize winner and former US poet laureate (Newsday). Loneliness, loss, sadness, and mystery mark this wonderful volume of forty-nine poems by Charles Simic, winner of the Pulitzer Prize for Poetry for The World Doesn ' t End and praised as " one of the truly imaginative writers of our time " by the Los Angeles Times. " A Charles Simic poem starts with a sentence fragment, an ungainly image crash-landing at the feet of a speaker who was expecting something else entirely . . . There is a Central European sensibility at work in his poems. " —The New York Times Book Review " Simic is adept at runic inscriptions, fragments of dislodged civilizations, the shards of universal disjunction, and poignant ruin. " —The Washington Post " The quality of Simic ' s poems has grown steadily over the past two decades, despite a MacArthur ' genius ' award and last year ' s Pulitzer. An inventive, page-turning crime thriller with "palpable emotional depth" (New York Times Book Review) in which the Red Scare never ended. USA, 1958. President Joseph McCarthy sits in the White House, elected on a wave of populist xenophobia and barely concealed anti-Semitism. The country is in the firm grip of McCarthy's Hueys, a secret police force evolved from the House Un-American Activities Committee. Hollywood's sparkling vision of the American dream has been suppressed; its remaining talents forced to turn out endless anti-communist propaganda. LAPD detective Morris Baker—a Holocaust survivor who drowns his fractured memories of the unspeakable in schnapps and work—is called to the scene of a horrific double homicide. The victims are John Huston, a once promising but now forgotten film director, and an up and coming young journalist named Walter Cronkite. Clutched in the hand of one of the dead men is a cryptic note containing the phrase " beat the devils " followed by a single name: Baker. Did the two men die in an attack fueled by better-dead-than-red sentiment, as the Hueys are quick to conclude, or were they murdered in a cover-up

designed to protect—or even set in motion—a secret plot connected to Baker's past? In a country where terror grows stronger by the day, and paranoia rises unchecked, Baker is determined to find justice for two men who raised their voices in a time when free speech comes at the ultimate cost. In the course of his investigation, Baker stumbles into a conspiracy that reaches deep into the halls of power and uncovers a secret that could destroy the City of Angels—and the American ideal itself.
