King writes his novels like a seduction, the

story unfolding delicately and deliberately. As any Stephen King fan knows, his coy expository chapters often take up the first hundred pages or more. In Cell, however, the reader is brutally dragged into the main action--unspeakable, senseless violence--within the first seven pages.

Cell is an OK book but it does move a little slow. It is a typical Stephen King book, so if you like SK it will probably be a good read. If you are not a SK fan and just want to see what he does with a Zompoc book, skip it. As with many of SK's books the human element is the main story not the events going on in the world, they are just a backdrop.

Cell by Stephen King | The Independent

Stephen King's bestselling apocalyptic thriller. 'Civilization slipped into its second dark age on an unsurprising track of blood

but with a speed that could not have been foreseen by even the most pessimistic futurist. By Halloween, every major city from New York to Moscow stank to the empty heavens and the world as it had been was a memory.'
