On the Touchy Subject of Class in America - The New York Times

description In Class Paul Fussell explodes the sacred American myth of social equality with eagle-eyed irreverence and iconoclastic wit. This bestselling, superbly researched, exquisitely observed guide to the signs, symbols, and customs of the American class system is always outrageously on the mark as Fussell shows us how our status is revealed by everything we do, say, and own.

The bestselling, comprehensive, and carefully researched guide to the ins-and-outs of the American class system with a detailed look at the defining factors of each group, from customs to fashion to housing. Based on careful research and told with grace and wit, Paul Fussell shows how everything people within American society do, say, and own reflects their social status.
