In the tradition of such trailblazing books as *No Logo* and *The Tipping Point*, *In Praise of Slow* heralds a growing international movement of people dedicated to slowing down the pace of our contemporary times and enjoying a richer, fuller life as a result. These days, almost everyone complains about the hectic pace of their lives. We live in a world where speed rules and everyone is under pressure to go faster. But when speed is king, anyone or anything that gets in our way, that slows us down, becomes an enemy. Thanks to speed, we are living in the age of rage. Carl Honore has discovered a movement that is quickly working its way into the mainstream. Groups of people are developing a recipe for living better in a fast-paced, modern environment by striving for a new balance between fast and slow. In an entertaining and hands-on investigation of this new movement, Honore takes us from a Tantric sex workshop in a trendy neighbourhood in London, England to Bra, Italy, the home of the Slow Food, Slow Cities and Slow Sex movements. He examines how we can continue to live productive lives by embracing the tenets of the slow movement. A challenging take on the cult of speed, as well as a corrective look at how we can approach our lives with new understanding, *In Praise of Slow* uncovers a movement whose time has come.

La publicación en Occidente de *Elogio de la sombra* (1933) (uno de los ensayos de estética más sugerentes y sutiles del siglo XX, en el que Junichiro Tanizaki (1886-1965) devana con sabiduría y sutileza la importancia de este elemento en las artes y en el sentido estético de Japón, en el cual es indisoluble de la belleza) abrió un fértil campo de reflexión hasta entonces inadvertido, habiéndose convertido hoy en un clásico de referencia. Similares estímulos aplicados a otros campos (los modos y los ritmos de vida y la relación entre sexos) despierta la lectura de los dos ensayos que completan esta edición, "Sobre la indolencia" (1930) y "Amor y pasión" (1931), traducidos por vez primera al español, en los que late la doble tensión entre un Japón que emerge y otro que declina y entre la cultura tradicional nipona y la creciente occidentalización a que se vio sometida a partir del periodo Meiji. A fully illustrated, beautifully produced edition of Junichiro Tanizaki's wise and evocative essay on Japanese culture. 'We find beauty not in the thing itself but in the patterns of shadows, the light and the darkness, that one thing against another creates... Were it not for shadows, there would be no beauty.' This book is in fact a portal. Reading it, you will be led by Junichiro Tanizaki's light touch into a mysterious and tranquil world of darkness and shadows, where gold flashes in the gloom and a deep stillness reigns. If you are accustomed to equate light with clarity, the faded with the worthless and the dim with the dreary, prepare for a courteous but powerful realignment of your ideas. *In Praise of Shadows* is a poetic paean to traditional Japanese aesthetics – in a free-ranging style that moves from architecture to No theatre, and from cookery to lighting, Tanizaki teaches us to see the beauty in tarnished metal, the sombre dignity in unglazed pottery, the primacy of organic materials that bear witness to the regular touch of human hands. It is also astonishingly prescient, offering a gentle warning against the quest for airbrushed perfection, and reminding us that too much light can pollute and obscure our natural world. In this special edition, the text is accompanied by specially selected images to complement Tanizaki's reflections and further illustrate the pattern and beauty of shadows.

Beginning in 1990, thousands of Spanish speakers emigrated to Japan. A Cultural History of Spanish Speakers in Japan focuses on the intellectuals, literature, translations, festivals, cultural associations, music (bolero, tropical music, and pop,

including reggaeton), dance (flamenco, tango and salsa), radio, newspapers, magazines, libraries, and blogs produced in Spanish, in Japan, by Latin Americans and Spaniards who have lived in that country over the last three decades. Based on in-depth research in archives throughout the country as well as field work including several interviews, Japanese-speaking Mexican scholar Araceli Tinajero uncovers a transnational, contemporary cultural history that is not only important for today but for future generations. Araceli Tinajero is professor of Hispanic literatures at The City College of New York and at the Graduate Center. She is the author of *Orientalismo en el modernismo hispanoamericano*, *El Lector: A History of the Cigar Factory*, and *Kokoro: A Mexican Woman in Japan*. Tinajero is the editor or co-editor of various volumes including *Exilio y cosmopolitismo en el arte y la literatura hispanica*, *Orientalisms of the Hispanic and Luso-Brazilian World*, *Technology and Culture in Twentieth Century Mexico*, and *Handbook on Cuban History, Literature, and the Arts*. She is the Book Review Editor of the journal *Asia / America Latina*. [Elogio de la sombra / Sobre la indolencia / Amor y pasión](#) El elogio de la sombra

Este volumen reúne 42 ensayos de otros tantos especialistas internacionales con el propósito de reordenar sobre un marco universalista la interpretación de esta categoría por encima de las limitaciones restrictivas de historia y civilización. La suma de los estudios aparece intensamente regida por la amplitud del concepto estético y su multiplicidad interpretativa. Además de textos ya clásicos de E. d'Ors, Lezama Lima y A. Carpentier, se incluyen estudios sobre el Barroco español de los Siglos de Oro, y sobre su presencia en Hispanoamérica, Brasil, Portugal, Italia, Francia, Alemania, China y Japón.

The decline of formal religious systems has left a moral and emotional emptiness in Western culture. George Steiner, internationally renowned thinker and scholar, pursues this and examines the alternative "mythologies" of Marxism, Freudian psychology, LŽ vi-Straussian anthropology, and fads of irrationality.

Junichiro Tanizaki's *Seven Japanese Tales* collects stories that explore the boundary at which love becomes self-annihilation, where the contemplation of beauty gives way to fetishism, and where tradition becomes an instrument of voluptuous cruelty. A beautiful blind musician exacts the ultimate sacrifice from the man who is both her disciple and her lover. A tattooist turns the body of an exquisite young girl into a reflection of her predatory inner nature. A young man is erotically imprisoned by memories of his absent mother. Shocking in its content and lyrical in its beauty, these stories represent some of the finest work of one of Japan's greatest modern writers.

*Private Life* holds up a mirror to the moral corruption in the interstices of the Barcelona high society Sagarra was born into. Boudoirs of demimonde tramps, card games dilapidating the fortunes of milquetoast aristocrats - and how they scheme to conceal them - fading manors of selfish scions, and back rooms provided by social-climbing seamstresses are portrayed in vivid, sordid, and literary detail. The novel, practically a roman-à-clef for its contemporaries, was a scandal in 1932. The 1960's edition was bowdlerized by Franco's censors. Part Lampedusa, part Genet, this translation will bring an essential piece of 20th-century European literature to the English-speaking public.

En Occidente, el más poderoso aliado de la belleza ha sido siempre la luz. En cambio, en la estética tradicional japonesa lo esencial es captar el enigma de la sombra. Lo bello no es una sustancia en sí sino un juego de claroscuros producido por la yuxtaposición de las diferentes sustancias que va formando el juego sutil de las modulaciones de la sombra. Lo mismo que una piedra fosforescente en la oscuridad pierde toda su fascinante sensación de joya preciosa si fuera expuesta a plena luz, la belleza pierde toda su existencia si se suprimen los efectos de la sombra. En este ensayo clásico, escrito en 1933, Junichiro Tanizaki va desarrollando

con gran refinamiento esta idea medular del pensamiento oriental, clave para entender el color de las lacas, de la tinta o de los trajes del teatro nô; para aprender a apreciar el aspecto antiguo del papel o de los reflejos velados en la pátina de los objetos; para prevenirnos contra todo lo que brilla; para captar la belleza en la llama vacilante de una lámpara y descubrir el alma de la arquitectura a través de los grados de opacidad de los materiales y el silencio y la penumbra del espacio vacío.

From internationally-acclaimed novelist Mayra Santos-Febres comes a carnal, epic novel about the life of Isabel "La Negra" Luberza--a legendary Puerto Rican madam who, by the end of World War II, became the most powerful woman on the island. Born into poverty and then abandoned by her mother, Isabel "La Negra" Luberza blossoms into a supremely sensual young woman. Obsessed with attaining aristocratic status—armed with incredible physical presence, indomitable ambition, and keen intelligence—she meets Fernando Fornaris, the man who will forever change her life. With a parcel of land given to her by her rich, white married lover, Isabel transforms herself into a hard-edged and merciless businesswoman—abandoning her own newborn son to become Puerto Rico's most feared and respected madam, a collector of society's secrets, a queen of the notorious brothel that emerges as the island's true political and economic heart. Set against the rich backdrop of the Caribbean and the United States during the tumultuous years of World War II, Mayra Santos-Febres's *Our Lady of the Night* is a breathtaking novel of passion, power, and the devastating price of achieving everything one wishes for.

One of the warmest, funniest, and most delightful Christmas stories ever—from Pulitzer Prize-winning author Dave Barry. With fond nostalgia, Dave Barry takes readers back to a simpler time: The year is 1960, and young Doug Barnes is playing a shepherd in the Christmas pageant at St. John's Episcopal Church—which is a very big deal. But there are problems everywhere. His fellow shepherds are misbehaving, which makes their director, Mrs. Elkins, yell at all of them; the girl he likes is playing Mary opposite a Joseph who is depressingly smart, athletic, and cute; the family dog is doing very poorly, and they have no idea what they're going to tell Doug's little sister, Becky, who's playing one of the Host of Angels and who loves the dog more than anything; and his dad's just gotten a flat tire, which means they might not even get to the pageant after all. But Christmas is a time of miracles. And for Doug and his family, this will be the most miraculous Christmas of all.

In *Childhood Years*, originally published serially in a literary magazine between 1955 and 1956, Tanizaki Jun'ichiro (1886–1965) takes a meandering look back on his early life in Tokyo. He reflects on his upbringing, family, and the capital city with a conversational—and not necessarily honest—eye, offering insights into his later life and his writing.

Sanaa's housing projects, both finished (House A, S House, House in a Plum Grove, Small House and Moriyama House), and unfinished projects (Flower House, Garden & House, Seijo Apartments, Ichikawa Apartments, House in China and Eda Apartments). SANAA's architecture embraces complexities within deceptively simple appearances. It has many elements that are impossible to understand unless actually "experienced". In contrast with modern architecture, SANAA has many aspects that cannot be revealed in "representative" media such as plans, models, and photographs. The "representations" of their architectural works incorporate ambiguity and chronological elements. This characteristic makes Sanaa one of the most innovative offices in the current architectural panorama.
