1972 ford 5000 tractor how to check transmission / hydraulic fluid.

TractorData.com Ford 5000 tractor information

Last night I was able to identify the model tractor I have through the kindness of a member on this website. It's a 1965 Ford 5000 diesel 8spd. A neighbor of mine was nice enough to give me a tractor and I would like to put it to use. I know that I do not want to start it before I change the fluids & filter, but I am unsure of what to use.
