Basically, I've enjoyed the Madea series movies—have seen all of his non-Madea movies except the last 3. I am a cheerleader for Mr. Perry for achieving success in an arena with very few Blacks, so I will not debase him. However, I do think it's time for him to grow and the criticism he's facing has some merit.

Tiffany can't avoid being funny: it's just who she is. But The Last Black Unicorn is so much more than a side-splittingly hilarious collection of essays - it's a memoir of the struggles of one woman who came from nothing and nowhere. A woman who was able to achieve her dreams by reveling in her pain and awkwardness, showing the world

who she really is, and inspiring well.
others through the power of ...
