Good News Bible is the most extensive collection of work yet from Shaky Kane, one of British comics' greatest geniuses. This major retrospective collects the entirety of his work from the classic '90s magazine Deadline for the first time. Heavily influenced by the great Jack Kirby, Shaky produces comics that combine intensity and bombast with a psychedelic and unmistakably British cynicism.

Analysing the Frames of a Bible Simon and Schuster
A compilation of remarkable letters with love at their heart, from the curator of the

globally popular Letters of Note website. The first volume in the bestselling Letters of Note series was a collection of hundreds of the world's most entertaining, inspiring, and unusual letters, based on the seismically popular website of the same name--an online museum of correspondence visited by over 70 million people. From Virginia Woolf's heartbreaking suicide letter, to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter. Now, the curator of Letters of Note, Shaun Usher, gives us wonderful new volumes featuring letters organized around a universal

theme. In this volume, Shaun Usher turns to the subject of love. What emotion inspires humans to put pen to paper more than love? It's unsurprising that love letters provide an endless source of extraordinary writing. Letters of Note: Love gathers together some of the most powerful messages about love ever composed, whether inspired by love's first blush or the recriminations at its ending, the regrets of unrequited feelings and the joys of passions known. Includes letters by Zora Neale Hurston, Napoleon Bonaparte, Frida Kahlo, Nelson Mandela, and many more.

A RESEARCH PROJECT & A DOCUMENTARY BOOK ON SCIENCE & WORLD RELIGIONS & COMPARATIVE INTERFAITH DISCUSSIONS (The Qur'an & Modern Science: Compatible or Incompatible?) Ever since the dawn of human life on this planet, Man has always sought to understand Nature, his own place in the scheme of Creation and the purpose of Life itself. In this quest for Truth, spanning many centuries and diverse civilizations, organized religion has shaped human life and determined to a large extent, the course of history. While some religions have been based on books, claimed by their adherents to be divinely inspired, others have relied solely on human experience. Al-Qur'an, the main source of the Islamic faith, is a book believed by Muslims, to be of completely

Divine origin. Muslims also believe that it contains Divine guidance for all humankind. Since the message of the Qur'an is believed to be for all times, it should be relevant to every age. Does the Qur'an pass this test? In this booklet, I intend to give an objective analysis of the Muslim belief regarding the Divine origin of the Qur'an, in the light of established scientific discoveries. There was a time, in the history of world civilization, when "miracles", or what was perceived to be a miracle, took precedence over human reason and logic. But how do we define the term "miracle"? A miracle is anything that takes place out of the normal course of life and for which humankind has no explanation. However, we must be careful before we accept something as a miracle. An article in `The Times of India', Mumbai, in 1993 reported that "a saint" by the name "Baba Pilot" claimed to have stayed continuously submerged under water in a tank for three consecutive days and nights. However, when reporters wanted to examine the base of the tank of water where he claimed to have performed this "miraculous" feat, he refused to let them do so. He argued by asking as to how one could examine the womb of a mother that gives birth to a child. The `Baba" was hiding something. The Bible in Today's English Version is a new translation which seeks to state clearly and accurately the meaning of the original texts in words and forms that are widely accepted by all people who use English as a means of communication. This translation does not follow the traditional vocabulary and style found in the historic English Bible versions. Rather it attempts in this century to set forth the Biblical content and message in

standard, everyday, natural form of English. The aim of this Bible is to give today's readers maximum understanding of the content of the original texts. The Preface explains the nature of special aids for readers which are included in the volume. It also sets forth the basic principles which the translators followed in their work. The Bible in Today's English Version was translated and published by the United Bible Societies for use throughout the world. The Bible Societies trust that people everywhere will not only find increased understanding through the reading and study of this translation, but will also find a saving hope through faith in God, who made possible this message of Good News for all people. -

Inside the covers of this book you will find the ' Real Scriptures ' of the Christian churches. Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain-washed to believe, that is about the other inferior books: " It isn ' t in the canon " (of scripture) formed of course by the early Catholic Church at various stages and Councils from the fourth century A.D. therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God. They would not even imagine that different churches have

different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate, but they are not affected by the changes they made to the canon of Scripture over many centuries. They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world. So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else ' s church scriptures are false scriptures? Ethiopia it seems got most books of scripture right even with their translation into an ancient language! ' The Real Scriptures ' , edited by James Platter above, a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas, California

in the United States, but now rejects the reduced 1627 A.D. Version of the KJV Bible, and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship, Moss Vale, N. S. W. Australia under the Reverend Alan Catchpoole in 1973. ‘ THE REAL SCRIPTURES ’ OF GOD NEW TESTAMENT Simon and Schuster
A New Translation to Highlight the

Jewish Roots of the Christian Faith The first Christians were Jews, and Christianity has its roots in the religion of God's chosen and called out people. Jesus's death and resurrection was not the beginning of a new religion but the fulfillment of the covenant God made with his people. Yet most Bible translations sacrifice the deep connection between the Jewish roots of our faith and the grafted-in Gentile branches, using imprecise English terms rather than Hebrew terms that encompass a fuller meaning. The Tree of Life Version (TLV) is a new Bible translation, produced by the Messianic Jewish Family Bible Society, which highlights the rich Hebrew roots of the Christian faith by restoring: · the

Jewish order of the books of the Old Testament · the Jewish name of the Messiah, Yeshua · reverence for the four-letter unspoken name of God · Hebrew transliterated terms, such as shalom, shofar, and shabbat · and more
