Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Love can be blinding and by the time the truth shines through, it's too late to escape. Fame. Fortune. Success. Is that too much to ask? All I need is to catch a break. To snag the attention of someone important. Someone who can help make my career everything I want it to be. Joseph was that man. Until the night the lights went out and I left with someone else. Someone who stole my breath and made me want for things I'd never considered before. I should have known better than to trust a stranger. Especially one of his stature and class. Money means power and power means control. Over my heart. My career. My entire life. My dreams died the moment I agreed to his terms and a new chapter in my life began. I was blinded by my love for him and thought nothing would ever change the way I felt. Then I uncovered the truth about him. About the kind of man he really was and the secrets he paid good money to keep hidden from everyone. Now I'm trapped, with no way out. Book 1 of 2 in the *Storm Series*.

The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the *Calendar Girl* series. Twice my life changed in a single day. The first was when I lost my parents. Hand in hand I walked with my big sister up the steps of Kerrighan House, a foster home for girls. We were lucky to be met with open arms and a house filled with children just like us. Children who'd lost everything. From that day forward, we were raised as one big family. Our bonds of sisterhood were strengthened through shared experience, pain, sacrifice, and love. Sisters not by blood, but by choice. Soul sisters. The second day my life changed was on the worst day of my adult life. My boyfriend broke up with me via text. My sleazy boss hit on me, forcing me to quit a job I desperately needed. And the cherry on top, was getting pulled over by an FBI Agent. Little did I know, he'd also save my life that night. From the moment we met, Agent Fontaine wouldn't dare let me out of his sight. And between his alpha ways, kind brown eyes, and heroism, I was lost to the man who hid behind his job. But this agent had a rule: never fall for a woman you've

saved. Yet I wasn't just any woman. I was known among my sisters for taking risks and dreaming big. I was the wild child of the group. We were raised to appreciate every day as the gift it was, and not let anything stand in our way. The more I got to know the brooding, serious FBI man, the more I realized maybe it was my duty to save him.

I didn't mean to kidnap the groom. It was an accident.

Mostly... At least I didn't take much time to plan it. It was more of a spur of the moment kidnapping. Does that count? But I didn't have a choice! I couldn't stand by and watch Jace O'Dell be blackmailed into a loveless marriage. And besides, what's a little kidnapping between friends? Okay, so maybe we're not just friends... And maybe I can't quit thinking about that night at his bar when he closed up early and had me on the rocks. And maybe this crazy stunt is going to blow up in both of our faces. If it does, I'm blaming the moonshine.
