Six Cats a Slayin' Harper Collins

"A juicy thriller" (Entertainment Weekly) · "Absorbing" (USA Today) · "Dark and thoughtful" (Washington Post) · "Gratifying" (Wall Street Journal) · "Sun-soaked noir" (LA Review of Books) A spellbinding novel of psychological suspense that follows a young archivist's obsession with her subject's mysterious death as it threatens to destroy her fragile grasp on sanity. When the famed photographer Miranda Brand died mysteriously at the height of her career, it sent shock waves through Callinas, California. Decades later, old wounds are reopened when her son Theo hires the ex-journalist Kate Aitken to archive his mother's work

and personal effects. As Kate sorts through the vast maze of material and contends with the vicious rumors and shocking details of Miranda's private life, she pieces together a portrait of a vibrant artist buckling under the pressures of ambition, motherhood, and marriage. But Kate has secrets of her own, including a growing attraction to the enigmatic Theo, and when she stumbles across Miranda's diary, her curiosity spirals into a dangerous obsession. A seductive, twisting tale of psychological suspense, *Take Me Apart* draws readers into the lives of two darkly magnetic young women pinned down by secrets and lies. Sara Sligar's electrifying debut is a chilling, thought-provoking take on art, illness, and power, from a spellbinding new voice in suspense.

When librarian Charlie Harris' daughter is falsely accused of murder, he and his faithful feline Diesel must leap forward to crack the case in this all-new installment in the New York Times bestselling series. Charlie Harris has sworn off investigating murder and mayhem after a recent close call. Instead, he's delighted to cheer on his daughter, Laura, who's starring in a

production of *Careless Whispers*. The theater department at Athena College is debuting the play written by a fledgling playwright with local connections and Charlie's son-in-law, Frank Salisbury, will be calling the directorial shots. Laura is upset to learn that Luke Lombardi, an overbearing actor she knew from her time in Hollywood will also be taking part in the production as a guest artist. Lombardi arrives with an entourage in tow and promptly proceeds to annoy everyone involved with the production. When he collapses and dies on stage, after drinking from a glass Laura handed him, she becomes the chief suspect in his murder. Charlie knows his daughter is innocent, and he 's not going to let anyone railroad his little girl. So, despite his intentions to put his amateur sleuthing days behind him, Charlie has to take center stage, and with Diesel 's help, shine a spotlight on the real killer.

Mass Effect: Revelation Berkley

A piercing and passionate novel, set in rural Argentina, about violence and masculinity Oscar Tamai and Elvio Miranda, the patriarchs of two families of brickmakers, have for years nursed a mutual hatred, but their teenage sons, Pájaro and Ángelito, somehow fell in love. Brickmakers begins as Pájaro and Marciano, Ángelito's older brother, lie dying in the mud at the base of a Ferris wheel. Inhabiting a dreamlike state between life and death, they recall the events that forced them to pay the price of their fathers' petty feud. The Tamai and Miranda families are caught, like the Capulets and the Montagues, in an almost mythic conflict, one that emerges from stubborn pride and intractable machismo. Like her heralded debut, *The Wind That Lays Waste*, Selva Almada's fierce and tender second novel is an unforgettable portrayal of characters who initially seem to stand in opposition, but are ultimately revealed to be bound by their similarities. Almada enlarges the tradition of some of the most distinctive prose stylists of our time. In *Brickmakers*, she furthers her extraordinary exploration of masculinity and the realities of working-class rural life. This is another exquisitely written and powerfully told story by a major international voice.

The Tempest / The Works of William Shakespeare
Illustrated Marvel Entertainment

The Tempest is a play by William Shakespeare, probably written in 1610-1611, and thought to be one of the last plays that Shakespeare wrote alone. After the first scene, which takes place on a ship at sea during a tempest, the rest of the story is set on a remote island, where the sorcerer Prospero, a complex and contradictory character, lives with his daughter Miranda, and his two servants-Caliban, a savage monster figure, and Ariel, an airy spirit. The play contains music and songs that evoke the spirit of enchantment on the island. It explores many themes, including magic, betrayal, revenge, and family. In Act IV, a wedding masque serves as a play-within-the play, and

contributes spectacle, allegory, and elevated language.

Confessions from an Arranged Marriage

Berkley

Humanity has reached the stars, joining the vast galactic community of alien species. But beyond the fringes of explored space lurk the Reapers, a race of sentient starships bent on "harvesting" the galaxy's organic species for their own dark purpose. The Illusive Man, leader of the pro-human black ops group Cerberus, is one of the few who know the truth about the Reapers. To ensure humanity's survival, he launches a desperate plan to uncover the enemy's strengths—and weaknesses—by studying someone implanted with modified Reaper technology. He knows the perfect subject for his horrific experiments: former Cerberus operative Paul Grayson, who wrested his daughter from the cabal's control with the help of Ascension project director Kahlee Sanders. But when Kahlee learns that Grayson is missing, she turns to the only person she can trust: Alliance war hero Captain David Anderson. Together they set out to find the secret Cerberus facility where Grayson is being held. But they aren't the only ones after him. And time is running out. As the experiments continue, the sinister Reaper technology twists Grayson's mind. The

insidious whispers grow ever stronger in his head, threatening to take over his very identity and unleash the Reapers on an unsuspecting galaxy. This novel is based on a Mature-rated video game.
