In Robert Lynd and Helen Lynd. ...Muncie, Indiana, the Lynds wrote Middletown: A Study in Contemporary American Culture (1929), innovatively treating the middle class as a tribe in the anthropological sense. Their follow-up study, Middletown in Transition: A Study in Cultural Conflicts (1937), analyzed the social changes induced by the Great Depression of the 1930s. [Middletown studies - Wikipedia](#) Middletown studies were sociological case studies of the white residents of City of Muncie in Indiana conducted

by Robert Staughton Lynd and Helen Merrell Lynd, husband-and-wife sociologists. The Lynds' findings were detailed in *Middletown: A Study in Modern American Culture*, published in 1929, and *Middletown in Transition: A Study in Cultural Conflicts*, published in 1937.

Middletown: A Study in Modern American Culture by Robert ... Middletown is a very interesting and important work of anthropology, sociology and

history. Not just because it's the first time anthropological techniques were applied to a study of a single American city, but also Lynd's findings provide an interesting look at how by the time of his writings in the 1920s, things between then and now haven't changed in certain respects.
