Creating a strong step family - DAD.info

talking openly about the change or loss that has lead to their being in a stepfamily. helping them show their feelings. sharing our own feelings with them. telling them it 's OK to feel bad, even if other people in the family are happy about the change. telling them what 's going to happen and asking their opinions.

When you become a stepfamily - Family Lives

So what can you do in a step-family to manage the differences? Communicate. This is two-way – you need to listen as much as talk. Try sitting down one-to-one with a timer and giving each person two minutes to talk. No interruptions, show you 're listening by eye contact, and afterwards, check you understood by paraphrasing back what was said.
