Amongst the bombardment of Prelogic emails I receive daily, this one I got today is actually a pretty sweet deal. Right now they are selling most of their Mega Guides (basically TechNotes on steroids) for \$1. A few of them are \$9, but still way cheaper than normal price. This morning I splurged and spent 7 bucks. CCNA Collaboration Study Material » CareerCert.info

Prelogic is a good reliable company. Just doing practice exams will not prepare you for the real exam unless you have a lot of experience and previous training. Practice exams are best used after a class to find your weaknesses which you can fill in. Reading and doing is the best way for most people to learn. George
