In this book, Chandralyn A. Brown combines the encouragement and creativity of poetry with the Holy-Spirit-filled discernment of End-Time Bible Prophecy. Bible Prophecy is unfolding right before our very eyes on the evening news. This book provides understanding, and makes the connection between the scriptures of the Holy Bible and the various events that are happening in the world today. Ever wonder, what fruit Adam and Eve ate that caused curses to enter the world? What was the origin of religion? Why has there been such an increase in the intensity

and frequency of earthquakes, hurricanes, tornadoes, and other natural disasters? Or why can't Israel and the surrounding Muslim nations all just get along? Were the "gods" of Greek Mythology really real? Is Jesus really coming soon; and how can we really be sure? What is the meaning of 666? Prophetic Justice gives answers to all these questions and many more, and justly interprets the Holy Scriptures. The truth may hurt, but it is absolutely necessary to hear. The time we have left here on the Earth, as we know it, is very short. The prophecies and judgments of Jesus Christ, written in the Book of Revelation, are both Just and True. Only those who are found worshipping the Lord in Spirit and in Truth when Jesus returns will be counted worthy to escape.
