Two strangers—one warm and human, the other deadly and craving—become pawns in an all-out vampire war as this series from the New York Times bestselling author of the Nightwalkers saga heats up. As an energy vampire, Halo enjoys the chase for human

blood—if it's pure and consensual. But Halo goes from hunter to hunted when he is knocked unconscious and taken hostage by vicious sycophants. As he comes to, he realizes that he's naked, starving, and trapped in a sealed room. With him is a deliciously human female, tempting him to feed—except her blood is heady with the scent of poisonous drugs. Never has nourishment been so near, yet so far . . . and it's all part of the sycophants' sick game. The last thing Felice Mendoza remembers is everything going black. She awakens stripped, drugged, exposed, and alone—with a vampire. Halo is at once savage

and tender, terrifying and alluring. Felice senses that her only chance to escape depends upon his survival. Given the choice between Halo and his enemies, Felice surrenders to his ravenous hunger. It's a calculated risk—and a delirious pleasure. As Felice is ushered into a world as dangerous as it is desirable, their fight for deliverance is only the beginning. A freed slave and a troubled priest wrestle with desire as they face a threat to their realm in this paranormal romance by the author of *Ecstasy*. The Shadowdwellers live in a realm of darkness and sensuality, where order is prized, and sin must be punished. Yet for Magnus, the head priest of Sanctuary, salvation rests with the one woman who can entice him to break every rule . . . *She Was The Ultimate Temptation* Magnus is a man of contradictions—a spiritual leader in a warrior's body. To him, laws are for enforcing and visions must be followed—even if that means freeing a beautiful slave and making her his reluctant handmaiden. Betrayed once before, Magnus can barely bring himself to trust another woman. Yet Daenaira's fiery innocence is drawing them both into a reckless inferno of desire. Daenaira grew up hearing tales of a fearsome priest who seemed more myth than reality. But Magnus is very real—every inch of him—and so is the treachery surrounding them. Beneath Sanctuary's calm surface, an enemy is scheming to unleash havoc on the Shadowdwellers, unless Magnus trusts in a union ordained by fate, and sealed by unending bliss . . . *Praise for Ecstasy* "Bestseller Frank's intensely emotional and sensual series debut expands the universe of her *Nightwalkers* series . . . to include the light-shunning Shadowdwellers. . . . This romantic and strongly sexual story between complicated characters is

made even richer by an intriguing secondary cast and efficient world-building that's familiar without being lazy." —Publishers Weekly
