8 August 1942. As Gandiji and prominent leaders are put in jail, Babu and Manju suddenly find themselves a part of the larger protests--their schools close down and their father is put behind bars. Their daring brother Mohan goes underground and the rest of the family moves to Narayanpur, a sleepy little village seemingly untouched by the turbulence in the country. But Narayanpur is seething within and it all comes to a head when a group of children dare to confront the police.

The Gift of the Magi Sahitya Akademi

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford

their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

Beautiful early writings by one of the 20th century's greatest poets on the 150th

anniversary of his birth A Penguin Classic
The poems, prose, and drama gathered in *When You Are Old* present a fresh portrait of the Nobel Prize-winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as "The Lake Isle of Innisfree" and "He Wishes for the Cloths of Heaven," as well as Yeats's imaginative retellings of Irish fairytales—including his first major poem, "The Wanderings of Oisín," based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Facing Mount Kenya, first published in 1938, is a monograph on the life and customs of the Gikuyu people of central Kenya prior to their contact with Europeans. It is unique in anthropological literature for it gives an account of the social institutions and religious rites of an African people, permeated by the emotions that give to customs and observances their meaning. It is characterised by both insight and a tinge of romanticism. The author, proud of his African blood and ways of thought, takes the reader through a thorough and clear picture of Gikuyu life and customs, painting an almost utopian picture of their social norms and the sophisticated codes by which all aspects of the society were governed. This book is one of a kind, capturing and documenting traditions fast disappearing. It is therefore a must-read for all who want to learn about African culture.
