QuickStart Your QuickBooks, specifically written for Canadian businesses, aims to take you from a complete novice to a confident intermediate user on a timeline that works with your schedule. The step-by-step guide allows you to learn at your own pace and demystifies common problems that many users of QBO experience. Best of all, no prior accounting knowledge is required - each chapter is explained in an easy to understand way along with screenshots so you never feel lost. *Based on the 2021 version of QuickBooks Online* Over 250 pages of tips, tricks, and actionable steps you can implement immediately. An examination of which Canadian version of QBO is best for your needs How to migrate your data from QuickBooks desktop or using journal entries (with detailed explanations) A review of each of QBO's numerous features and detailed instructions on how to customize every aspect of your setup (including Canadian sales taxes (GST/HST/QST)) Step by step instructions on how to do everyday tasks such as invoicing, expenses, journal entries, banking and sales tax filing A review of the essential

reports that every business owner should use to analyze their business Accounting terminology and best practices every small business owner should know And so much more! Learn everything that every QBO user needs to know, increase your profitability, and take control of your small business finances with QuickStart Your QuickBooks TYPES OF USERS THAT WILL BENEFIT: You are starting a new business/self employment and you want to an easy to use, all in one accounting solution You currently use a spreadsheet but find it time consuming and cumbersome You want to be able analyze your financial data to be more profitable You want to save money on hiring a bookkeeper but you don't want to have to spend a lot of time doing your accounting You want to have a better understanding of your business finances You are an administrator or bookkeeper who wants to have a better understanding of QBO. Read from beginning to end to comprehensively learn about how to use QBO, or simply use it as a reference guide whenever you encounter problems or want more knowledge about a specific area. Note: This book is based on the Canadian version of QBO, but in most respects the accounting concepts within are widely applicable to all versions. In addition, it does not review QBO payroll, as I believe there are better options out there at a similar price point. Finally, I do not cover some advanced features such as budgeting, time tracking, multicurrency, projects and mileage. These topics will be covered in my next Advanced QBO book. A Useful Business Tool ClydeBank Media LLC The Payroll Book is the only book that demystifies payroll with clear, concise, and real-world examples on how to tackle the process. "The Payroll Book will be a valuable resource for the small business owner as well as for the entrepreneur planning a new venture. Thorough, well-organized, and thoughtfully written, this practical guide is an essential tool for managing the payroll process." —Marilyn K. Wiley, Dean, College of Business, University of North Texas "Failing to comply with the withholding, tax remittance, and report filing requirements in

handling business payroll carries a high cost. Charles' book will guide entrepreneurs through the minefields of payroll processing and reporting in language that business owners can understand. Whether you already own or are planning to start your own business, The Payroll Book is an essential tool."

—James A. Smith, Past President and Chairman, Texas Society of CPAs "If accounting is something you have not paid keen attention to in your startup, then this book can demystify the whole thing for you and then some! Logically set-up and highly practical in its approach! I highly recommend this book for any startup, entrepreneur, and, frankly, anyone thinking about starting a business. That said, if you already started a business it's just as important—this is a must-read!" —Hubert Zajicek, CEO, Co-founder and Partner, Health Wildcatters "Wow! This is the most comprehensive book of its kind. I have worked in payroll for over 25 years, and I would recommend this book as a reference to anyone who has a hand in payroll. From the novice just entering the field to the seasoned veteran, there is something in this book for everyone." —Romeo Chicco, President, PayMaster Taxes for Small Businesses QuickStart Guide Entrepreneur Press

If you're a business owner wanting to learn more about taxes without going through boring textbooks, then keep reading... Benjamin Franklin once said that "in life, only two things are certain: death and taxes." He wasn't exaggerating about the latter. And because you must deal with taxes for as long as you live and earn money, you must get it right every time. Unlike any other infractions or violations, tax-related offenses have major repercussions. At a minimum, you will pay fines and expenses. But if your tax violations are serious, you may end up in jail. Think about this: the infamous mafia gangster boss Al Capone was indicted and sent to prison not because of his violent crimes, but because of tax violations. Hence, you must take your taxes very seriously. So, what does it take to manage your taxes successfully and avoid the massive inconveniences associated with being flagged by the Internal Revenue Service for tax violations? There are so many answers to this question, but they can be summed up in one term: tax accounting. And that is what this book is all about. Written with non-accountant entrepreneurs in mind, this book can help you learn important tax accounting principles for ensuring optimal tax management in your business. These include: What tax accounting is. Important tax accounting guidelines. The difference between accounting and bookkeeping. How to claim tax deductions legally. How to choose the right business entity. How to manage payroll tax. Discover if you need an S corporation or a C corporation. And much, much more! By the time you're finished with this book, you'll be armed with sufficient

knowledge to ensure proper management of your businesses' income taxes. And while you can never avoid taxes, what you'll learn here can make you and the IRS the best of friends. So, grab your copy of this book now and start your journey towards optimal tax management for your small business.

Do you yearn to be your own boss and set up your own business but not sure how to go about it? Do you know the benefits of having a Limited Liability Company (LLC), but you don't know how to get started? Then your search is finally over, for we've got the book for you! The thought of "being your own boss" is sure exciting and if you plan to do it by setting up your business and are ready with a business plan, the next crucial step is deciding the right business structure. This decision has far reaching repercussions for the business and thus requires careful selection. The factors like personal liability, regulations, tax treatment, etc are governed by the form of your business entity which could be a Sole Proprietorship, Corporation, Partnership, or a Limited Liability Company (LLC). A limited liability company (LLC) can be the right choice for any business owner seeking to reduce liability and protect his or her assets. This type of entity has several advantages over operating a sole proprietorship or partnership. Unlike a sole proprietorship or partnership, an LLC shields the owner or owners from liability, and unlike a more complex corporation, management structure is loose, there is no board of directors to answer to, and with an LLC being a pass-through organization, no double taxation which corporations are subject to unless one elects to be taxed as a C or S corporation. In this book, you will discover the ins and outs of an LLC and find out if it's right for you. Here are just some of the topics that are discussed within this book An introduction to what LLC actually means The advantages and disadvantages associated with LLC Easy steps towards starting your own LLC and LLC state specific guidelines to follow The accounting and taxes involved in this industry Reviewing whether LLC is right for you And so much more! Among all forms of

companies, start-up of a LLC is easier with lesser complexities, paperwork and costs. This form of company comes with a lot of operational ease with less record keeping and compliance issues. LLCs also provide a lot of freedom in management as there no requirement of having a board of directors, annual meetings or maintaining strict record books. These features reduce unnecessary hassles and help save a lot of time and effort. So what are you waiting for?
