It's not every day you wake up to a stranger getting into your bed. Only, he isn't a stranger at all, he's my best friend's hot older brother...and apparently my new roommate. Having him in my space, driving me crazy, isn't a problem at all. Nope. All I need to do is keep control of the situation... But that's easier said than done. Shawn Lassiter is the kind of distraction I don't need. Those muscles and tattoos, wearing nothing but a towel, making me coffee in the morning. It's more than any girl can resist. Right? But Shawn is off-limits, even if his eyes are saying differently. Years ago, back when I still had my crush, he destroyed friendships with his reckless playboy antics. There's no way I'm touching those perfectly formed abs now. I don't care how nice and responsible he's acting. I'm the smart girl—the glasses-wearing, book-reading workaholic. I can totally do this. After all, it's only for two and a half months. I'll be on my best behavior...even if Shawn isn't. Each book in the Accidental Love series is

He was supposed to glue my broken heart back together. Instead he threw me away. Now he's just another rock star asshole. He gets everything he wants. But not me. Not again. Ethan Strong was the first man I ever loved. He was the one person who understood me, the one person who made me feel whole, the one person who set my body on fire. We were supposed to be together forever. Then things got hard and Ethan forced me to

choose between him and everything I've worked for. Now he's back in my life. He says we'll be friends. It's been a long time. I can forgive, but I can't seem to forget. The taste of his lips, the sound of his groans in my ears, those calloused fingers between my legs-- I'm going out of my mind remembering all the pleasure he brought me. Worse, I keep thinking of how happy he made me. I can't fall back in love with Ethan. It doesn't matter how badly I crave his gorgeous blue eyes, his tattooed arms, and his strong guitarists' hands. It doesn't matter that his smile still lights me up inside. It doesn't matter that I need him like I need oxygen. I'm not giving Ethan another chance to throw me away.

This isn't how fairy tales typically begin, but it's where mine starts. No money, no phone, and abandoned on the streets of Chicago. With my baby in my arms, I wander into a bar in a shady neighborhood and ask to use their phone. When my father turns us away and completely disowns me, the bar owner, and total hottie, offers us a place to stay. No strings attached. I'm leery at first. Hot alpha guy. Down on her luck single mother. I mean, who wouldn't be wary? Lucio Gallo isn't like most men, though. He's fiercely protective, loyal, and did I mention he's covered in nothing but muscle? Above all else, he's everything I need but never knew I wanted. Never trust a bad boy. That's what Beauty Influencer Lizzie Danvers tells her YouTube subscribers after getting dumped on Instagram. Lizzie may have the devil's luck in choosing men, but she's determined to prove that the age-old "once a playboy, always a playboy" theory is bulletproof. All she needs is thirty days and one sexy commitment-phobe to do it... By day, Gage Harvey helps his twin at Inked on Bourbon, tattooing butterflies onto every female under the age of thirty. By night, he works for New Orleans' Special Operations Division, fulfilling a family legacy to protect his city. Relationships aren't on his radar--until the hot-as-hell woman on his tattoo table glances up at him, a butterfly half-inked on her butt, and propositions him. Gage should say

no--nothing good ever comes from entertaining crazy women. But for the sake of playboys everywhere, he'll take one for the team, and prove to Miss Lizzie Danvers that bad boys are the only men who will tempt you with forever.

Rock star Kit Lockhart can have any woman he wants... any woman except her. Kit Piper. My band mate's baby sister. The one woman I can't have. The one woman who won't get out of my head. Those big blue eyes, those sweet pink lips, the cheeks that flush at the slightest provocation... I want her under me, groaning my name, shaking with desire. I shouldn't be the one to take Piper's virginity. But there's no way in hell I'm letting another guy fill her with pleasure. Piper Kit. The bassist in my brother's band. The guy I've been crushing on forever. The tall, dark, handsome musician who keeps everything to himself. He looks at me like I'm an innocent flower. We're only friends. We're only ever going to be friends. I need to stop thinking about running my fingers over the lines of his tattoos. I need to stop wondering what his tongue piercing would feel like against my-- I need to get over him. But the more I get to know him, the more I want to get under him.

Olivia Lincoln has a plan guaranteed to get her life back on track. A plan that involves her best friend, Danny. And he's on board, too... until she blurts out that they're engaged and expecting a baby, and the news spreads like wildfire. The problem? Danny doesn't do marriage. Or family. And everyone knows it, including Olivia. As irritated as he might be, protecting Olivia is what Danny does. But put best friends under one roof, add house rules begging to be broken, accidental nakedness, and pancakes in bed, and what started as a marriage between friends threatens to turn into the real deal... which would ruin everything. He's my best friend's older brother, off limits and incredibly tempting. I shouldn't peak into Brendon's sketchbook, even if the tattoo artist is as brooding and stoic as the day is long. I can't help myself. I peel it open, run my fingers along the paper, soak up every ounce of him. His drawings are as beautiful and bold as his dark eyes and his cocky smile. Only, there, on the third page—that's no tattoo mockup. That's me. Naked. Ready. Waiting in his bed. There's no denying it—those are my blue glasses, my green eyes, my flushed cheeks. Brendon wants me. The smoking hot, ten thousand miles out of my league bad boy wants me—a good girl virgin with thick glasses and no game. It's perfect. Only it's not. He's my best friend's older brother. He's off limits. But damn is he tempting.

He's the world's most alpha Marine and the last man I should be letting jingle my bells this holiday season. So why does Clint O'Dell keep running through my thoughts wearing nothing but a Santa hat? And why do I stupidly agree that we should be Christmas friends with benefits? Someone must have spiked my eggnog. I don't do Marines. Or Santas. I learned my lesson about both the hard way. But when Clint steps in to rescue me—from a murderous goose, a rogue reindeer, and the ghost of Christmas Right Now causing trouble in my bakery—I can't help but wonder if we're meant to be more than friends. If maybe Clint is the holiday miracle I've been praying for... or if all the magic will disappear with the season. Humbugged is a laugh out loud holiday romp featuring a Marine with a heart of gold and a baker in need of a hero. Complete with the world's most awkward Christmas caroling, a photoshoot with furry friends, and more naughty baked goods than is good or decent.

Only the greatest sacrifice can turn the tide of war. War is brewing in the fifth book of the #1 bestselling Throne of Glass series by Sarah J. Maas. The long path to the throne has only just begun for Aelin Galathynius as war looms on the horizon. Loyalties have been broken and bought, friends have been lost and gained, and those who possess magic find themselves increasingly at odds with those who don't. With her heart sworn to the warrior-prince by her side and her fealty pledged to the

people she is determined to save, Aelin will delve into the depths of her power to protect those she loves. But as monsters emerge from the horrors of the past, dark forces stand poised to claim her world. The only chance for salvation lies in a desperate quest that may take more from Aelin than she has to give, a quest that forces her to choose what-and who-she's willing to sacrifice for the sake of peace. Kingdoms collide in this fifth book in the #1 New York Times bestselling Throne of Glass series.

He arrives all dressed in black. Diamond cufflinks. A watch on his tanned wrist that cost more than we would ever see in a lifetime of work. He carries a single red rose for my mother. Months later, Tiernan Morelli lays red roses on my mother's grave. That same day, he tells me that he is my new guardian. I should have known from the very start that he had more in common with the thorns than the rose. Now I know the truth: I'm a pawn in his dangerous game of revenge. I was too young and naive. Now it's too late to save myself from his clutches. I belong to him.

From the bestselling author of the acclaimed *Chaos and Genius* comes a thoughtful and provocative exploration of the big ideas of the modern era: Information, communication, and information theory. Acclaimed science writer James Gleick presents an eye-opening vision of how our relationship to information has transformed the very nature of human consciousness. A fascinating intellectual journey through the history of communication and information, from the language of Africa's talking drums to the invention of written alphabets; from the electronic transmission of code to the origins of information theory, into the new information age and the

current deluge of news, tweets, images, and blogs. Along the way, Gleick profiles key innovators, including Charles Babbage, Ada Lovelace, Samuel Morse, and Claude Shannon, and reveals how our understanding of information is transforming not only how we look at the world, but how we live. "This moving and deeply fulfilling romance marks the launch of a very promising series."—Publishers Weekly, starred review (on New Ink on Life) Sometimes everything you shouldn't want is exactly what you need. Tattoo artist Jamie Winston is used to caring for others. Between her assistant manager position at a tattoo parlor, single-parenting her twelve-year-old daughter, and supporting her alcoholic parents, Jamie rarely prioritizes her own needs—unless Sierra Clark is in her chair. The bubbly, younger woman somehow manages to make Jamie feel like the carefree teenager she never got to be, making anything seem possible. For Sierra, time with Jamie is a much-needed escape. She takes her work as a social worker seriously, but with budget cuts threatening her job, there's a lot riding on the fundraiser she's planning with Jamie. The fact that it means working closely with the sexy, older tattooist is a bonus—a deliciously tempting bonus. Sierra isn't one for relationships, but she's never felt such a strong desire to mix business with pleasure. Sizzling chemistry quickly erodes Jamie's fears of being too old for Sierra, but navigating a romance with someone who's at such a different stage in life is no easy task. They've each come to rely on themselves more than anyone else, but having a future together will mean letting their guards down, and accepting each other as a safe place to fall. New second chance sports romance from Amy Daws!

Losing It Crystal Kaswell

It's all fun and games in Vegas; until you accidentally marry your best friend. Last night, I married Jules. That's right, I married the girl who thought I had cooties in fourth grade. Yeah, we drank a few too many shots of tequila. We danced a little too close. But nothing prepared me for the taste of her lips. All of a sudden, we were in a borrowed limo (don't ask), ripping each other's clothes off, whispering dirty promises. Then I was on one knee, asking her to make it forever. And she was saying yes. This morning, everything changed. She wants to erase our night. Go back to normal. Only there's no more normal. I'm acutely aware of her long legs, her soft curves, her sweet moan. Mistakes be damned. She's my wife. I'm not about to let her go. *Accidental Husband* is a standalone accidental marriage romance full of heat, humor, and heart. Come see why readers say "no one writes broken bad boys like Crystal Kaswell." *Empire of Storms* Dangerous Press He parties like a rockstar. She's there to make sure no one finds out... Jess James has her eye on the prize. She is finding the money to pay for law school. Period. It doesn't matter how lonely she feels three thousand miles from home, how exhausted she is from working overtime as a cocktail waitress, or how deep the knife wound in her back cuts. She is going to be a lawyer, whatever it takes. Only she doesn't have what it takes. She can barely afford to pay her rent. Sinful Serenade bassist Pete Steele has enough to pay Jess's rent and buy her a small island in the Caribbean. The famous, talented rock star has everything... except

the one thing his manager wants. Pete rose to fame as a devoted boyfriend. Doesn't matter that his ex slept with his best friend. He needs to stop screwing his way through Los Angeles to keep the record company happy. The sweet blond waitress is exactly the girl he needs on his arm if he wants to clean up his dirty reputation. Their arrangement is simple: he pays her tuition, she plays his girlfriend. They'll lie to the world but not to each other. Especially not when they're alone, in his bed, him figuring out exactly which buttons to push to get her moaning his name. Jess is good at keeping up appearances. She can play the enigmatic rock star's girlfriend. But Pete shouldn't play games with a girl who's been broken before...
