The Crane Wife Tuttle Publishing

An old man rescues an injured crane and it changes his life. A beautiful and moving tale set in Japan.

The Crane Wife Yen Press LLC

Based on her work with over a thousand women across the country, psychologist Helene G. Brenner has learned that women feel the impulse to accommodate, adapt and mold themselves to serve others at their own expense. Her solution is an invigorating new approach to women's psychology. The key to transformation, she explains, is not self-improvement, but self-acceptance—affirming and validating what we truly feel and experience and who we already are. Dr. Brenner shows women how to discover and express what they truly want and value, guiding you toward your own Inner Voice. *I Know I'm In There Somewhere* will show you: - How to embrace, rather than fix, the Inner Voice that has been there all along - How to distinguish the Outer Voices (the expectations of the people around you) from Your Inner Voice (the voice of your true self that goes beyond intuition and guides you wisely towards what is right for you) - What to do when you feel that the essence of who you are is being stifled by external demands and expectations

Indian Fairy Tales London, Paul

"Wendy Lesser's extraordinary alertness, intelligence, and curiosity have made her one of America's most significant cultural critics," writes Stephen Greenblatt. In *Why I Read*, Lesser draws on a lifetime of pleasure reading and decades of editing one of the most distinguished literary magazines in the country, *The Threepenny Review*, to describe her love of literature. As Lesser writes in her prologue, "Reading can result in boredom or transcendence, rage or enthusiasm, depression or hilarity, empathy or contempt, depending on who you are and what the book is and how your life is shaping up at the moment you encounter it." Here the reader will discover a definition of literature that is as broad as it is broad-minded. In addition to novels and stories, Lesser explores plays, poems, and essays along with mysteries, science fiction, and memoirs. As she examines these works from such perspectives as "Character and Plot," "Novelty," "Grandeur and Intimacy," and "Authority," *Why I Read* sparks an overwhelming desire to put aside quotidian tasks in favor of reading. Lesser's passion for this pursuit resonates on every page, whether she is discussing the book as a physical object or a particular work's influence. "Reading literature is a way of reaching back to something bigger and older and different," she writes. "It can give you the feeling that you belong to the past as well as the present, and it can help you realize that your present will someday be someone else's past. This may be disheartening, but it can also be strangely consoling at times." A book in the spirit of E. M. Forster's *Aspects of the Novel* and Elizabeth Hardwick's *A View of My Own*, *Why I Read* is iconoclastic, conversational, and full of insight. It will delight those who are already avid readers as well as neophytes in search of sheer literary fun.

The Bamboo Cutter & the Moon Maiden Penguin

A young girl who wears a wooden bowl over her face to hide her beauty overcomes a variety of trials and eventually finds love, riches, and happiness.

The Shankill Butchers Penguin

Oni from Ancient Times to the Present Peter Lang Incorporated, International Academic Publishers

The bestselling investigation of one of Northern Ireland's most brutal and infamous murder cases 'Makes for gripping but altogether terrifying reading' *Washington Times* 'Dillon is recommended reading for anyone wishing to understand the complexities of British-Irish politics. He stands alone as one of the most creative writers of our time' *Irish Times*

_____ 'This was the ultimate way to kill a man.' In the 1970s, in some of the most violent days of the Troubles in Northern Ireland, a group of Protestant paramilitaries embarked on a spree of indiscriminate murder which left thirty Catholics dead in the Shankill area of Belfast. Their leader was Lenny Murphy: a fanatical Unionist whose Catholic-sounding surname had led to his persecution as a child, Murphy swore revenge on all Catholics, and with his gang wreaked havoc onto an already fractured city. Not for the squeamish, *The Shankill Butchers* is a horrifying and detailed account of one of the most brutal series of murders in British legal history - a phenomenon whose real nature has been obscured by the troubled and violent context from which it sprang.

The Crane Wife Penguin

This volume brings to light the impact of Asian culture on psychotherapy. Scholars and clinicians from East Asia and India go beyond technical dimensions to examine culture and psychotherapy at the theoretical and philosophical levels. An overview, invaluable for understanding some of the nuances of Asian culture, is followed by chapters on Asian personality and psychopathology, Asian psychology (in particular parent-child relations), the impact of Asian traditional thought and philosophy on psychotherapy, the unique psychotherapeutic approach of Asian culture, and psychotherapeutic experiences from various parts of Asia.

The Crane Wife Tuttle Publishing

The Crane Wife Houghton Mifflin Harcourt

The Crane's Gift Peter Smith Pub Incorporated

By re-examining the gender-specific behaviors of both the animal-woman and her human spouse, this book recovers the sociocultural and historical contexts that underlay their behaviors to demonstrate the actual gender characteristics that shaped the original Japanese Animal-Wife tales, highlighting the assertive, rather than naive, personality of women in early Japanese folktale tradition."

Narrating Gender Reality in Japanese Folktale Tradition The Crane Wife Shortly after Kenta freed a trapped crane from a snare, a mysterious woman appeared at his home. Beautiful Yukiko insists on becoming his wife and though he knows he can't afford to marry, he also cannot resist the temptation to claim her as his own. It isn't long before he finds himself falling in love with the strange young woman, even though she refuses to share any information about her past. Yukiko has good reason to keep her secrets. If Kenta ever discovers the truth about her identity, it could destroy their chance at happiness and force them apart forever... *The Crane Wife* is a fantasy romance based on the Japanese folktale "Tsuru Nyobo."

Asian Culture and Psychotherapy Penguin

First published in 1983, this stunning adaptation of the Japanese legend of the Crane Wife by three-time Caldecott Honor-recipient Molly Bang is set in nineteenth-century New England. After a shipbuilder rescues an injured goose, a mysterious woman arrives offering to work as a sail maker. She weaves sails of unparalleled quality and the two soon fall in love. But when a rich man orders a set of special sails, their happiness is threatened by an astonishing secret.

Adapted from Japanese folktales and told in alternating prose and haiku.

A Japanese Folk Tale First Second Books

Content warning: This story contains fictional depictions of domestic violence. Nothing tears two women apart like the men who want and take indiscriminately. In this retelling of "The Crane Wife", a makeup artist and her actress lover struggle to stay together as the glitz and glamour of old Hollywood transforms into a cruel and manipulative beast that threatens to pluck them apart. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

I Know I'm In There Somewhere Allyn & Bacon

Winner of the 2016 Creative Child Magazine Book of the Year Award **Winner of the 2015 Gelett Burgess Award for Best Multicultural Book** When wily animals, everyday people

and magical beings come together in a collection of Japanese fairytales, wonderful things are bound to happen! Each story is brilliantly illustrated by a different talented Japanese artist. The tales recounted here are among Japan's oldest and most beloved stories. Entertaining and filled with subtle folk wisdom, these retold stories have been shared countless times in Japanese homes and schools for generations. Like good stories from every time and place, they never grow old. Kids (and their parents!) will enjoy hearing these stories read aloud on the accompanying downloadable audio. The fairytales and classic stories in this collection include: *The Wife Who Never Eats*—the story of a man who learns the hard way the evils of stinginess. *The Mill of the Sea*—the story of how a greedy man was responsible for the saltiness of sea water. *The Monkey and the Crab*—the crabs teach a tricky monkey a lesson in fairness and honesty. *The Magical Hood*—an act of kindness reaps great rewards. *Sleepyhead Taro and the Children*—a story about what can be accomplished at the right time, and with the right help and the right spirit. *The Fox and the Otter*—how a fox pays the price of deceit and selfishness. *The Gratitude of the Crane*—a story about the rewards of kindness and the danger of curiosity. *The Tale of the Bamboo Cutter*—a girl who starts life very tiny turns out to be big in many ways.

A Memoir in Essays Houghton Mifflin Harcourt
