What made the experience of listening to The Secret Zoo the most enjoyable? My 8 year old daughter loved this adventure and I enjoyed the bits I 'overheard'. The narrator's voice was a little hard to listen to at times but his character voices were good on the whole. We are looking forward to the sequel being available on audible.

The Secret Zoo by Bryan Chick is a fun, fast-paced story about friendship, family, and (best of all) awesome animals. Mr. Chick seamlessly blends mystery and magic into a modern fairy tale, part detective novel and part adventure into Narnia. I downloaded The Secret Zoo after hearing about it at a local elementary school. I'm glad I did.
