Jeremy needs an heir—posthaste. The lovely Georgina seems like the perfect answer to his predicament and intrigues him like no woman ever before. Jeremy can't wait to get started on the baby-making and is even willing to tone down his preference for the wild romps he's always enjoyed. There's always time to teach her about that later, right? But Georgina's demons trump Jeremy's in so many ways. A brutal assault has left her damaged

and vowing she can be wife to no man—not even Jeremy Greymont. What is a libertine to do?

A Libertine...Jeremy Greymont certainly qualifies. 'Sex rough and women loose' is his credo—one he's always taken very seriously, with no deference whatsoever to the society into which he's been born. He's been perfectly content

milling along through life on an existence of courtesans and fine Scotch whisky...that is until his grandfather lets him know he's out of time, and his station in life comes with duties attached. Jeremy must produce an heir—posthaste. Lucky for him, the lovely Georgina is the perfect answer to his predicament and intrigues him like no other woman before her. Jeremy can't wait to make her his lady, and begin working on creating that heir he needs so badly. He's even willing to tone down his preference for the wild romps he's always enjoyed in the bed chamber, just for her sake. There will be plenty of time to teach his innocent bride all about that after the wedding, right? No, not even close. Georgina's demons trump Jeremy's in so many ways. A brutal assault has left her wounded and vowing she can be wife to no man—not even Jeremy Greymont. What is a libertine to do? “ Georgina...I am so entangled in thoughts of you I could not find my way out if ever I desired.” JEREMY GREYMONT

The 120 Days of Sodom by Marquis de Sade relates the story of four wealthy men who enslave 24 mostly teenaged victims and sexually torture them while listening to stories told by old prostitutes. The book was written while Sade was imprisoned in the Bastille and the manuscript was lost during the storming of the Bastille. Sade wrote that he "wept tears of blood" over the manuscript's loss. Many consider this to be Sade crowing achievement. Eroticism and Enlightenment in Eighteenth-century France CreateSpace

Urged on by some of their most deeply felt preoccupations – and in the case of figures like Coleridge and P. B. Shelley, by their own experiences of chronic pain – many writers found themselves drawn to the imaginative scrutiny of bodies in extremis.

Bodily Pain in Romantic Literature reveals the significance of physical hurt for the poetry, philosophy, and medicine of the Romantic period. This study looks back to eighteenth-century medical controversies that made pain central to discussions about the nature of life, and forward to the birth of surgical anaesthesia in 1846. It examines why Jeremy Bentham wrote in defence of torture, and how pain sparked the imagination of thinkers from Adam Smith to the Marquis de Sade. Jeremy Davies brings to bear on Romantic studies the fascinating recent work in the medical humanities that offers a fresh understanding of bodily hurt, and shows how pain could prompt new ways of thinking about politics, ethics, and identity. In both the real and the symbolic sense, the action of the "Liaisons" is writing letters, which is to say, giving the phrase an ontological twist, that writing is its own subject. Letters in an epistolary novel recount and reenact simultaneously, without distinction. Doing and telling are congruent, interchangeable, identical activities. The Marquise de Merteuil and the Vicomte de Valmont are the principal characters in this novel because they know best how to use the word. They control and direct others through their writing. From our perspective, however, to listen well is an even more critical and fundamental activity than writing well. The ultimate victor in this novel of seduction and deception is not necessarily the one who writes best but rather he, or she, who reads best. Concentrating on the reader places the entire epistolary exchange

in a new light and accentuates the use of the word as an instrument of power and the letter as a tool for domination. Rare and Precious Things John Benjamins Publishing

Which 50 People turned Ireland into the fecked-up country she is today? Bono? Haughey? Louis Walsh? de Valera? It's time to name and shame the great, the good and the gobshites... Conventional wisdom has it that Ireland, after a violent and tragic history, had began to get things right. But when the ill wind of recession cruelly snatched that self-satisfied achievement away, it all seemed like exceedingly back luck. In his 50 brilliantly acerbic portraits Waters reveals

a consistent pattern of self-delusion, myopia, inferiority complex, bravado, defeatism, cynicism, sentimentalism and conceit. He traces Ireland's story from the paranoid insularism and cultural myopia that followed national Independence, though the post-Sixties obsession with a faux 'self-confidence', to the final, salutary meltdown of the Celtic Tiger, and strangely lacking either Celts or tigers. Once among the oldest civilization in Europe, Ireland has ended up as a second-rate version of the England it tried to discard. It threw out not merely the bathwater and the baby, but also the bathtub, the sponge and the rubber duck...

The Libertine's Progress is a comprehensive and concise study of the eighteenth-century French novel, providing a fresh look at amorous relations and offering a radical presentation of the dark side of the Enlightenment. In his preface to the new

edition, Rene Girard writes of Pierre Saint-Amand's successful rendering of the essai classique, "Not a word in his book is superfluous; not a turn of phrase is selected for rhetorical effect. That is why he writes so elegantly." Maintaining that the eighteenth century was the last period to practice the art of seduction, Saint-Amand examines the complex relationship between desire and the ploys of those who seek to satisfy it. He writes about the magic that permeated the imagination of Enlightenment novelists and about the obscurity of amorous passion, placing modern seduction back in its archaic beginnings. This edition of the 1987 French publication has been substantially revised and extended in an elegant translation by Jennifer Curtiss Gage.
