Pass The LEED Green Associate Exam - GBES [Step-by-Step] LEED credentialing and certification should be managed in the public interest, rather than by a government-appointed private monopoly (USGBC). That said, those of us who wish to remain competitive in our careers have little choice but to greenwash our credentials with the "LEED Green Associate" credentials after our names. Usgbc Leed Green

Associate Study
The USGBC requires ongoing continuing education for each LEED professional. This document outlines the requirements for both LEED Green Associates and LEED AP professionals. Each LEED Green Associate will need to earn 15 hours of continuing education during each 2-year cycle. Of the 15 total hours, 3 must be LEED-Specific.
