Library Guides: Prices and Wages by Decade: 1800-1809

Fashion in the period 1795 – 1820 in European and European-influenced countries saw the final triumph of undress or informal styles over the brocades, lace, periwigs and powder of the earlier 18th century. In the aftermath of the French Revolution, no one wanted to appear to be a member of the French aristocracy, and people began using clothing more as a form of individual expression of the true self than as a pure indication of social status. As a result, the shifts that occurred in fashion ...
